Four Swan Rangers hiked in fresh snow and sunshine Saturday, heading up the Peterson Creek Trail.

They saw glacier lilies and Venus slippers (also known as Calypso orchids), not to mention nice views of the valley below and Flathead Lake!

March winds and April showers bring May flowers - and occasional snow!

The Swan Rangers meet every Saturday at the Echo Lake Cafe for breakfast at 8:30, leaving at 9:30 for a partial day outing in the northern Swan Mountains and foothills.

Everyone is Welcome!

Hope to see you soon,

Keith
